

## ABOUT NCRD TRUST

National Centre for Rural Development (NCRD) is a Registered Public Charitable Trust, founded in the year 1991 with a vision to educate rural masses of India. Completion of its 31 years has resulted into strong commitments toward the nation's growth. Currently, NCRD is actively educating masses from pre-nursery to various professional programs like B.Pharm, D.Pharm, MCA, MMS, etc.

## ABOUT INSTITUTE

NCRD's Sterling Institute of Pharmacy is located in Nerul, the biggest residential node of Navi Mumbai. It is situated in a serene and peaceful environment. It is easily accessible by rail from the Seawoods-Darave railway station on the harbour line and by road from the National Highway-4 or the Palm Beach road.

NCRD's Sterling Institute of Pharmacy is delivering high quality professional education with equal emphasis on practical and innovative research techniques. Guest lectures, seminars, sessions on personality development, sports and various extracurricular activities are organized on a regular basis for the holistic development of students. Our active industry-institute interaction cell works towards adding practical values to the calibre of the students.

### VISION

To be one of the leading institutions recognized from accreditation authorities, to cater for the needs of the pharmacy professionals, through excellence in teaching, learning, research and leadership.

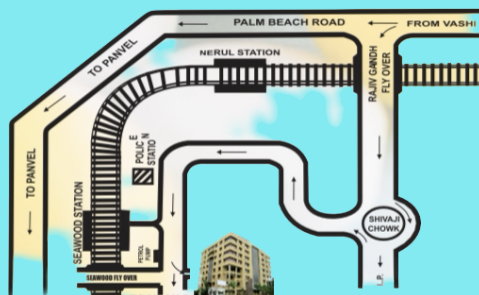

### MISSION

To provide domain-based education and training to be competent pharmacy graduates for global citizenship, employment and lifelong learning through value based, professional centric education system and humanistic approach.

Heading font size: Minimum 48 pt.

All other text size: 36-42 pt (Not below 24 pt).

**Each Participant Would Receive Complimentary Course Registration worth ₹5000 from Pharma Literati**

# OBJECTIVE

A Research Poster is a brief and interactive way of communicating research findings. The poster is generally a combination of a brief manual mixed with tables, graphs, pictures, and other presentation formats. This is a platform to find new opportunities as well as get a huge exposure to new ideas. We look forward to active participation from undergraduates and Masters in Pharmacy students from across the Nation.
