CHAIRMAN'S MESSAGE

FROM THE FOUNDER'S DESK

“Education is the most powerful weapon which you can use to change the world” - Nelson Mandela. These wise words by Nelson Mandela perfectly describe our aim at NCRD. Education forms the cornerstone for NCRD as it imparts knowledge, skills and values to the students. The National Centre for Rural Development, NCRD, is a registered Public Charitable Trust. With firm belief in extending quality education to the masses, NCRD strives to empower students to harness all the potential that they possess, thereby creating effective, active and responsible citizens. NCRD started its academic programs by offering education at school level. The NCRD's Sterling Institute of Pharmacy, approved by All India Council for Technical Education (AICTE), New Delhi, Pharmacy Council of India, New Delhi, Government of Maharashtra and affiliated to University of Mumbai, Mumbai, started functioning in the year 2004. It has the advanced educational infrastructure which includes air-conditioned class rooms equipped with state of the art audio visual aids; well equipped laboratories; library with rich stock of books of diversified range, journals, e-journals; computer lab with computers of latest configuration and internet facility. The Institute has dedicated faculty and staff creating an environment, which is conducive to the holistic development of the students. The dedication of the staff and activities conducted for the students, comprehensively help in gaining knowledge and improves the overall personality of the students, thus making them industry- ready. This is reflected in the excellent track record of placement of outgoing batches in multinational and national pharmaceutical organization and number of students pursuing higher studies abroad and in India. I invite you to be an agent of change, to conquer the impossible and to explore a world of opportunities. On behalf of the trustees, I assure you that we are putting the best efforts to make the Pharmacy Program most successful and purposeful. I welcome you to come and be a part of NCRD's Sterling Institute of Pharmacy.

**Hon. Shri. Dilip Walse Patil (B.A,L.L.M),
Cabinet Minister (Ministry of Co-operation), Government of Maharashtra
Founder Chairman, National Centre for Rural Development**

PRINCIPAL'S MESSAGE

FROM THE PRINCIPAL'S DESK

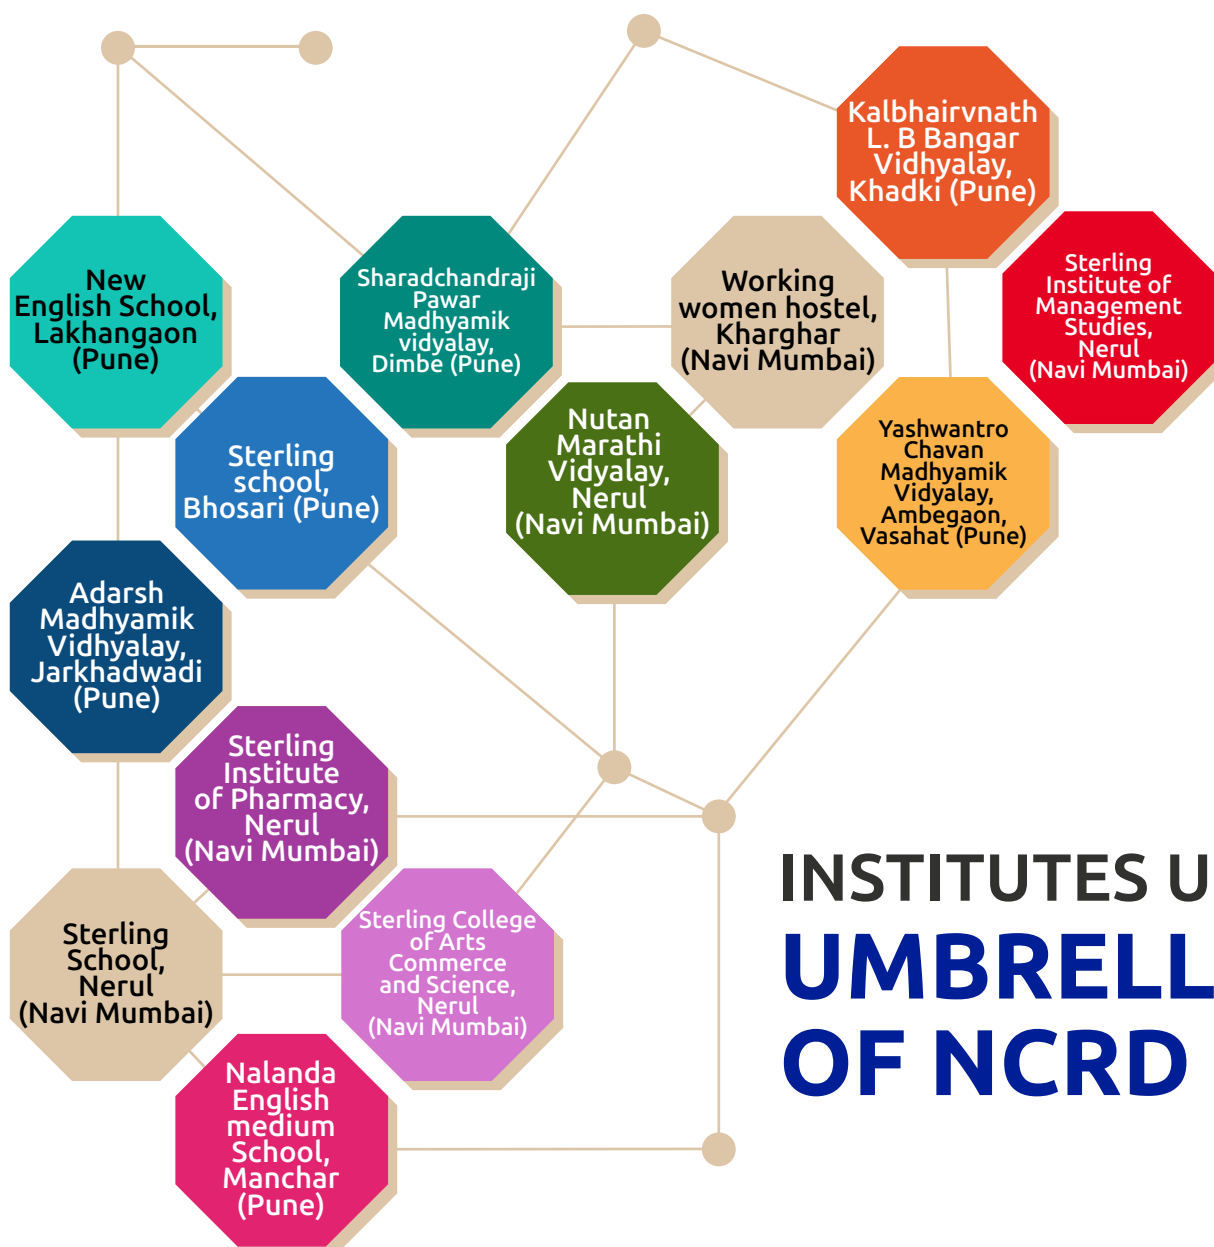

I am indeed very much pleased to contact you through this brief message. Since its establishment in 2004, the institute has been working towards developing a resourceful, educational infrastructure where students are continuously updated in their knowledge and technical skills. NCRD's Sterling Institute of Pharmacy is currently involved in conduction of diploma, graduate and postgraduate programs (M. Pharm in Quality Assurance) in pharmaceutical sciences. Our B. Pharm program has been accredited by National Board of Accreditation (NBA) till 2025. To retain the same quality in future as well, NCRD's Sterling Institute of Pharmacy regularly organizes guest lectures, seminars, workshops, inter and intra college competitions, industrial and hospital visits, sessions on personality development, sports and various social activities for holistic development of students. Our active industry-institute interaction cell works towards adding practical values to the caliber of the students and bridging the gap between student's expectations and employment reality. We provide the space for students to ignite their imagination and inspire them to learn. NCRD is delivering high quality professional education with equal emphasis on practical and innovative research techniques. We are developing our students as per the global needs. The growth & development of our organization delivering its best is inevitable and I would like to invite all of you to join hands in our efforts to build a new cadre of pharmacy professionals to serve mankind world over. I strongly believe that true education instills knowledge, inspiration, tradition and values among the students and I along with my faculty members work together to motivate the students to perform well in every walk of their journey towards competent healthcare professionals of tomorrow.

Dr. Rupesh Pingale
(M. PHARM, Ph.D),
Principal

PROHIBITION OF RAGGING ACTION AGAINST RAGGING

Maharashtra Prohibition of Ragging Act 1999 which is in effect from 15th May 1999 has the following provisions for Action against Ragging. Ragging within or outside of any educational institution is prohibited. Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty which may extend to ten thousand rupees. Any student convicted of an offence of ragging shall be dismissed from the educational institution and such students shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal. Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complains, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, for further action. Where, on enquiry by the head of the educational institution, it is found that there is no substance, prima facie, in the complaint received; he/she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institution shall be final. If the head of the educational institution fails or neglects to act in the manner specified in section "d" above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section "b" above

- It is mandatory as per the Hon. Supreme Court & UGC/AICTE Regulations that all students fill in an Anti Ragging Affidavit, each year. Hon'ble Supreme Court in Civil Appeal No. 887 of 2009, passed the judgment wherein guidelines were issued for setting up of a Central Crisis Hotline and Anti Ragging database. To make the process easy MHRD has developed an ON LINE Facility. Affidavits can be filled ON LINE at www.antiragging.in OR www.ugc.gov.in.
- This portal contains Affidavits confirmed by each student and their parents or guardians, which will then be stored electronically and will contain the details of each student, record of registered complaints received and the status of the action taken.
