About NCRD

The National Centre for Rural Development (NCRD) is a registered Public Charitable Trust, founded in 1991 with the aim of promoting rural development. During the course of its various activities aimed at rural youth, NCRD realized that true rural development is not possible without basic education for rural communities, and hence, NCRD entered the field of education.

Anticipating the growing demand for pharmacy professionals worldwide, the NCRD Trust set the wheels in motion that led to the establishment of Sterling Institute of Pharmacy.

About Our Institute

NCRD's Sterling Institute of Pharmacy was established in the year 2003 and has excellent infrastructure comprising well-equipped laboratories, classrooms with audiovisual aids, a library with more than 4,000 books and journals, a language laboratory, and a computer centre with internet facilities.

Our institute is graded as "Excellent" by MSBTE. The QCI ranking of NCRDSIP is 41st in India and 2nd in Mumbai. NCRDSIP believes in bringing out excellence in terms of intellectual growth and the development of professional and technical skills, enabling students to evolve knowledge and information as the greatest tools for future development.

It is located in Nerul and is easily accessible by rail from the Seawoods-Darave Railway Station and by road from National Highway 4 or Palm Beach Road.

Vision & Mission

To be one of the leading institutions in the field of pharmaceutical sciences to cater for the needs of pharmacy professionals, through excellence in teaching, learning, research and leadership.

To provide domain-based education and training to be competent healthcare professionals for global citizenship, employment and lifelong learning through value based, professional centric education system and humanistic approach.
